If you replace or repair damaged or destroyed building improvements and betterments at your expense with materials of similar quality within a reasonable time after damage we will pay for the actual cost of repairs or replacement (whichever is less) without deduction for depreciation. If loss or damage is not replaced or repaired, we will pay the Actual Cash Value of the loss or damage at the date of the occurrence.

Replacement Cost

Replacement Cost means the cost, on the date of the loss or damage, of the lower of:

1. repairing the property with materials of similar kind and quality; or
